## Guidelines for Parents

Dear Parent/Guardian,

We warmly welcome you and your child(ren) to the classes at our facility. To make sure your child(ren)'s presence here is safe and learning-oriented, we ask that you abide by the following guidelines. Please read them carefully and contact a staff member if you have any questions.

- Parents/guardians are responsible for their child(ren)'s care and supervision at all times while they are on the premises.
- For safety purposes, parents must supervise their child(ren), especially in the dining area.
- Parents agree to help maintain a peaceful environment by curbing any rambunctious behavior.
- There is to be no running anywhere in the building at any time.

Your feedback is always welcome. If you would like to make any suggestions or comments regarding our children's programs, resources, or teachers, please contact the Children's Officer.

Your support and cooperation are greatly appreciated.

In your service,  
The BKWSO Children's Staff
